

SUMMER READING INFORMATION

Summer reading for students entering fifth grade.

Students should choose one book from the summer reading list for students entering 5th grade. It should be a new book to the student, NOT a book that they have read before. For the second requirement, students may read any book they choose. The book must be at least 150 pages and approved by a parent.

Students should complete the attached form (one for each book read) and return it to the 5th grade teacher the first day of school. Plot should be at least twelve sentences.

Reports will be graded and count toward an English test grade. Therefore, students should check for punctuation, capitalization, spelling and grammar errors as well as meeting the requirements listed.
